

----- TORONTO -----
**Breast and Aesthetic
Plastic Surgery**
----- SYMPOSIUM -----

April 23 & 24, 2026

**Peter Gilgan Centre
for Research and
Learning, Toronto**

Following the overwhelming success of its inaugural unified format, the Toronto Breast and Aesthetic Plastic Surgery Symposium returns as a premier event in Canadian surgical education. Born from the integration of the long-standing Toronto Breast Surgery Symposium and the Aesthetic Plastic Surgery Symposium, this combined meeting continues to deliver a powerful platform for knowledge exchange and professional connection.

Bringing together over 200 surgeons and healthcare professionals, the symposium offers unparalleled opportunities for engagement, visibility, and collaboration with leaders in plastic and aesthetic surgery.

Why Sponsor?

- High-impact exposure within a focused exhibitor space
- Direct access to influential decision-makers
- Association with a respected and forward-looking educational event
- A proven format that delivers results

**Renowned
International Faculty**

Learn from leading experts from Canada, the U.S., and worldwide.

**Latest Techniques &
Innovations**

Covering breast and aesthetic and surgical and non-surgical procedures with a focus on patient selection, techniques, outcomes, and safety.

**Join us in shaping the
future of aesthetic and
reconstructive surgery
in Canada.**
